

BLUNTARTISTRY™ TOPIC DESCRIPTIONS

The Artistry of Authenticity: Being Yourself On Purpose: In this presentation of the heart, Ed Blunt explores what's behind the masks, façades and images we like to project with the purpose of realizing that we can function at a much higher level of clarity, honesty and effectiveness in our work, in our homes, ... in our life!

Passion, Price, Progress: In this fiery presentation, Ed Blunt points up the purpose and benefits of having passion with a very inspiring perspective on the price that anyone must pay, and the inevitability of the results that follow often disguised as tremendous progress and brilliant breakthroughs!

Only the Strong: In this intense presentation experience, Ed Blunt takes his audiences to the heart of strength and power in the face of tremendous challenges and obstacles. At the program's end, adversity will be a vitamin for all participants and challenges will only be seen as opportunities!

Architects of the Future: A Mindset 4 Success: In this life altering presentation, Ed Blunt lays out the difference between those who affect change and those infected by change. You will be Using your imagination, mining for ideas in unique places and experiencing creative solution success after this program.
